REMARKS 25X1

RETURN TO CIA LIBRARY

1. It was learned 25X1 that Soviet maneuvers were scheduled to be conducted in the area of GOTH (M 51/J 06) - SCHMALKALDEN (M 51/H 84) - ILMENAU (M 51/J 23) - OHRDRUF (M 51/J 15) - CRAWINKEL (M 51/J 14) - THEMAR (M 51/J 01) from 10 September to 25 October 1949.

2. It was also ascertained that, contrary to preceding years, the troops were to stay in their maneuver quarters throughout the winter.

25X1 Comment:

a. The report is forwarded with reserve as the statement that the troops were to stay in the OHRDRUF area throughout the winter is considered improbable. 25X1 reported before that units from WEIMAR had returned to their military post in early September 1949.* Troops from SAALFELD and WEISSENFELS were also expected to return from summer maneuvers in September 1949. **

b. No 25X1 have supplied information on maneuvers to be conducted in the mentioned area.
